"We're excited for the playdate tomorrow! My kid tends to be very curious and our doctor recommended I ask if there's an unlocked gun in the house?"

No, but I'm glad you asked! I should start asking this question too.

"Looking forward to the sleepover this weekend! I always ask...are there any unlocked guns in your home? Also, what can I bring for snacks? Can't wait!"

Yes, but they are locked and secured in our safe. We take safe storage very seriously.
